FUSING EDUCATION WITH THE ARTS

MEPA ACADEMY

What a busy first term at MEPA Academy. We started the year by welcoming eight new students in September 2025 who have settled in really well.

Throughout the term, students have been on various trips including going to see Wicked The Musical and then a couple of weeks later a private screening to see the new film. Throughout Term 1, students worked on duos and trios which they then presented to parents, carers and families in our end of term showcase. In this time, we also auditioned for our cast of this year's musical - Matilda! To finish the term, MEPA Academy was also proud to host our first ever Christmas Carol concert at Studio 6. We are looking forward to next term, as we welcome a new teacher - Lucy Benardout as our Teacher of English

MEPA COLLEGE

MEPA College has started the year off with a bang! The term started with MEPA College being headline sponsors at CYD? Super Convention. What an incredible weekend showcasing our talented students.

As part of our CYD Headline Sponsor routines, MEPA College performed:

Suits choreographed by Tashan Muir
Janet choreographed by Tilly Cook

MEPA College students also performed on the Musical Theatre stage with medley of pieces from Cinema Italiano, Right Now and Falling Slowly.

Follow us on Instagram to see all of these numbers performed at our Term 1 Showcase in November.

After the end of our Term 1 Showcase, MEPA College students headed into their rehearsals for pantomime. Find out more about this year's pantomime a little later on in this newsletter.

Our students have been treated to incredible guest teachers throughout Term 1.
